POM PERFORMING TEAMS

POM is a highly athletic form of dance that can be seen at high school, college, professional sporting events, games and competitions. Pommies are known for their school spirit, dance ability, and teamwork. Some may think of Pommies as cheerleaders, however the difference is cheerleaders tumble and stunt and Pommies kick, turn and dance. Our pom program is known for helping dancers make their high school or college dance programs, as well as expand training for current Pommies. If you are looking to learn or expand your pom skills, or make a high school pom team...this is the studio for you!
