There is an additional yearly financial commitment that can range depending on the number of competitive dances a dancer participates in. These additional costs are for costuming, choreography, cleaning, props, master classes, competition entry fees and convention class fees. Passion Competition Company is a very big commitment for both the dancer and the family. Please consider both the time and financial commitment before deciding to audition and don't hesitate to schedule an appointment with Jenny for any questions you may have!

Pre Passion

\$265 tuition/month

"Opal"

CentreStage also offers a pre-company team, which will be a springboard to our Passion Company. The purpose behind this team is to provide the instruction, experience, training and overall preparation to those dancers who are interested in joining our company in the future. This team is also designed for those dancers who might not quite be at the skill level required for Passion, or are not quite ready for the time or financial commitments of Passion.

Our pre-company team will perform at most CentreStage performances (just like Passion) and will experience competing in 2 competitions during the season. They will compete 2 dances (in the 2 competitions), which will require 2 competition costumes that they will be able to also use for the recital. Both of these teams are a privilege and an honor, and the members are expected to follow the same code of conduct and dedication as our Passion Company.

We are extremely excited to offer these opportunities to our dedicated and talented dancers and are fully prepared to help them to be successful on both these teams and a future on a CentreStage competitive team.
