CentreStage also offers a pre-company team, which will be a springboard to our Company. The purpose behind this team is to provide the instruction, experience, training, and overall preparation to those dancers who are interested in joining our company in the future. This team is also designed for those dancers who might not quite be at the skill level required for Company or are not quite ready for the time or financial commitments of Company.

Our pre-company team will perform at most CentreStage performances and will experience competing in 3 competitions during the season. They will compete 2 dances (in the 3 competitions), which will require 2 competition costumes that they will be able to also use for the recital. All of these teams are a privilege and an honor, and the members are expected to follow the same code of conduct and dedication as our Company.

We are extremely excited to offer these opportunities to our dedicated and talented dancers and are fully prepared to help them to be successful on both these teams and a future on a CentreStage competitive team.

**The new season will start Monday, August 11, 2025.**
